Privacy and Security Workshop

Join AHIMA and NYHIMA to better understand HIPAA, HITECH, ACA and other regulatory requirements to help protect your facility!

April 28, 2017

Onondaga Community College

4585 W Seneca Turnpike

Syracuse, New York 13215

7:30 AM - 4:00 PM

Program Overview:

Healthcare is under attack and it has never been more important to be fully educated on privacy, security and cybersecurity than it is today. This one day workshop is focused on ensuring attendees understand HIPAA, HITECH, ACA and other regulatory requirements in addition to best practices to combat 21st century privacy and security threats.
